Subject: New Greek Program Fee for Spring Term
Date: Thursday, March 13, 2025 3:05:00 PM

Dear Fraternity and Sorority Members,

We hope this message finds you well as winter term is wrapping up and we look forward to spring break!

We are writing to inform you of an important update regarding the introduction of a new Greek Program Fee, which will take effect in the Spring term of 2025 at Oregon State University. This fee will assist with efforts to meet the current needs of the community and continue to build a sustainable structure for a positive value-added fraternity and sorority program at the university. It will support key areas such as advising, educational programming, and proactive initiatives aimed at fostering growth and development for all members and chapters.

Over the past fall and winter terms, we have engaged in conversations with chapter presidents, council leaders, North American Interfraternity Conference (NIC), chapter advisors, and other important stakeholders about the implementation of this fee. We have carefully considered all the feedback from these discussions and truly appreciate the input we have received. We have reflected a great deal on the conversations we have had about the fee, have been able to make adjustments, and appreciate all the feedback.

Beginning in the Spring term, all active fraternity and sorority members will be charged a supplemental fee of **$20 per student, per term**. The fee will be applied directly to your student account based on the information listed as active members status on your chapter's membership roster. This fee will be charged three times a year (Fall, Winter, Spring) going forward. Please note new members will not incur this fee during their first term in the community.

If you are experiencing financial hardships and/or are a Pell Grant recipient (as indicated through FAFSA documentation), you can apply for consideration for a fee waiver. Please visit the CFSL website under the tab "Greek Program Fee" to complete the waiver application. Waiver applications for Spring Term 2025 are due by Friday, March 21.

We understand that new initiatives raise questions, and we are here to support you. Should you have any concerns or require further clarification, please do not hesitate to

reach out to greekfee@oregonstate.edu.

Thank you for your engagement in OSU's Fraternity/Sorority Community! We look forward to seeing you thrive in the upcoming quarter!

Go Beavs!
